RE: July 2002 Monthly Report (06/01/02-06/30/02)_

October Monthly Report (09/01/2002-09/30/2002)

12 Day Pre-General Report (10/01/02-10/16/02)

U

Dear Mr. Walker;

This correspondence is in response to your "Request For Additional Information" ("RFAI"), resulting from the Republican National Committee's ("RNC") Amended July Monthly Report (06/01/02-06/30/02) received 6/30/2003 and Amended October Monthly Report (09/01/2002-09/30/2002) received 6/25/03 and Amended 12 Day Pre-General Report (10/01/02-10/16/02) received 6/26/03.

Regarding the activity type box indicated on the July Monthly Report (06/01/02-06/30/02), there was a mistake made due to an infrequent occurrence of an in-kind disbursement that was not an administrative activity. The event and the event YTD amount were correctly reported, however the type of activity which is usually marked as "Administrative" should have been marked as "Fundraising". We have corrected this and amended the report.

Regarding the activity type box indicated on the October Monthly Report (09/01/2002-09/30/2002) and 12-Day Pre-General Report (10/01/02-10/16/02), there was a mistake made due to a number of disbursements which were administrative in nature but to which we temporarily assigned a pseudo-event code for in-house accounting purpose. The event code and the event YTD amount were correctly reported, however the type of activity which is usually marked as "Administrative" was marked as "Fundraising". This practice has been a source of confusion and we would take steps to remedy it except that it is no longer valid for our committee to report activity on that schedule. The activity in question is pre-BCRA. I feel at this time that all reports with this occurrence have been corrected. We have corrected these reports and filed the respective amendments.
